The Summer Series of regattas is an ideal introduction to the world of sprint racing and an opportunity to gain qualification times for the National Regattas at Nottingham.

At each regatta there will typically be singles races over at least two different distances and at least one crew or relay race. Medals and series points will be awarded on the day according to singles performance within each class (male and female u10, u12, u14, u16, u18, u23, 23+, 35+ and also canoe and PaddleAbility classes). Points will be cumulated across the events for series class awards.
